Dear CNP fan,

Hi, how have you been? Read any good comics lately? I definitely thought this issue of CNP was the best ever! When I was a kid I used to watch the GALTAR AND THE GOLDEN LANCE cartoon all the time. I can't wait for an all-new ALL-STARS with Quick Draw, Yogi, and Magilla Gorilla! Hope to hear from you soon!

—Dave Roman, letter column expert

Greetings, CNP readers!

Dana Kurtin here. I've been the editor on CNP since issue #16. (I worked with bodacious Bronwyn Taggart on #14 and #15, too!) What do you think of the issues I've done? I can't pick a favorite, but I'll tell you a secret: I ran DYNOMUTT in the next issue because it was my all-time favorite show when I was a kid. Biggest thrill on this book (after getting letters): having Steve Rude do the HERCULOIDS cover for #17! Did you know I also edit SCOOBY-DOO? Be sure to write back!

—Dana Kurtin, editor

P. S. I made Dave redraw my picture 3 times. That's the kick of being the editor!

Dear Readers,

I.M. Kevin Dooley, co-editor of all COW AND CHICKEN and I.M WEASEL & I.R. BABOON stories in this amazing comic! (Dana and I share editing on these because I love COW AND CHICKEN so much!) One thing I want to know: How can Cow and Chicken be related? One's a cow and one's a chicken. I just can't figure it out! Anyone out there know the answer to this? When I'm not editing COW AND CHICKEN, I also edit AQUAMAN, GREEN LANTERN, and a new title, VEXT. Check 'em out!

I.M.Waiting for Letters!

—Kevin Dooley, editor

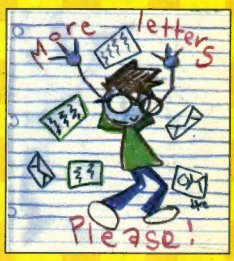
Dear Fans,

My name is Harvey, and I'm the newest addition to the Cartoon Network line of books — as the assistant editor to both Dana and Kevin. That means I work on over 12 books a month! That's a LOT! I get to talk to all of the writers and artists and make sure they send their stuff in on time. So I'm always on the phone and running around! Luckily, I also get to borrow all of Kevin's and Dana's cartoon videotapes. Being an assistant editor is a good way to watch cartoons and read comics all the time! My favorite issues of CNP have been these last three because I worked on them. What would you like to see in future comics? Let us know!

—Harvey Richards, assistant editor

NEXT MONTH

Next Issue: It's all the stars! DYNOMUTT and GALTAR! Plus, your letters! What could be better?



This month's cover was drawn by Bill Alger and colored by Dave Tanguay. If Atom Ant, Secret Squirrel, and Hong Kong Phooey all went up against each other, who would win? Tell us in a letter!
